

MATH 200 - HW5
Due 3/2/2020, start of class
Revised: 2/28/2020

Instructions: Complete the following exercises, showing all work. Homework must be typed, printed, and brought to class unless you will be missing class or turning in the homework late (then email is acceptable). Mark any corrections on your paper for partial credit. Any figures may be hand drawn, but must be scanned or photographed and put into the printed document. If you use a source outside of the book and lecture materials for any solution, you must document that in your homework submission.
